Dear Mr. Phillips:

Enclosed is a copy of excerpted Rule M-3(4) regarding the plugging of drill holes. As you indicated during your call to this office Nov. 16th, you plan to only conduct a drilling program on, and around, the old Higgins Mine within the near future. We ask that you submit a letter as described in this Rule outlining your drilling program and the plugging associated therewith.

Thank you for your cooperation in this matter.

Very truly yours,
